

Welcome to the Scarborough Indoor Bowls Centre February Newsletter.

We kicked off January with a 3 day tournament sponsored by David Matthews. The pair winners were David & Carol Bennison who beat Bob Dickens and Brenda Thompson (9-1). Brenda & Bob then teamed up with Steve Taylor to go into the triples final against Jean Else, Malcolm Short & Alan Lee. This time Brenda Thompson, Bob Dickens & Steve Taylor were successful, winning the triples title (9-4).

Scarborough Yorkshire Mens took on Doncaster and unfortunately lost all 4 games (49-109). 2 weeks later our team were up against York B, with a very similar result, 4 games lost (56-124).

The Mens Over 55's were against North Cave Yellow Team & fared slightly better, again coming close with 2 wins & 2 loses, but we lost out on the aggregate score by just 6 points (75-81)

Our Ladies team in the North East League came close to victory, and in a close fought match lost out with 1 win, 1 draw and 2 loses (64-74), again just 10 points separated the teams.

Finally we also played in a double rink, against Doncaster, and after holding our own for the first 10 ends, (17-19), Doncaster proved 2 strong in the 2nd half and ran away with victory (23-42).

We often hear about people wanting to help but unsure of what they can or can't do. Here's a few ideas to get you started...

To help our Café and Indoor Bowls Centre

- 1) Bring a friend along for a tea, coffee and cake, and just have a chat.
- 2) Bring a friend along and have an hours bowling with them, then finish with a tea, coffee, cake, and a chat.
- 3) Come in for an extra tea, coffee and cake.

To help our ability to raise funds

- 1) Bring a raffle prize, hand in at reception or to a board member
- 2) Buy a raffle ticket or take part in Find the Joker (run weekly).
- 3) Have you any ideas for fund raising? (see a board member to discuss)

As you can see from the above these little things will help our Centre in a BIG way.

Finally, our very own Chris Turnbull, is aiming to attend the 2022 Commonwealth Games, however in order to achieve this he needs Commonwealth Points, and the first of these is to be held in New Zealand. A fund raising page has been set up to support Chris raising the required funding to allow this to happen. Please visit <https://www.justgiving.com/crowdfunding/chris-turnbull-1> to donate.
